From the Board

We would like to thank all of the members who came out to assist in the spring clean up; Bob Austin, Bob Miller, Kim Colliss, George Welwood, Hugh Graham, Paul Wilson, Howard Garrie, Sam Fox and Roger Beaven. Thank you also to the staff for an amazing job in getting ready for this year's golf season. There was lots of skunk damage on the course and winter rules should apply until these areas are playable. Another harbour days is planned for the dock area. Watch for the date as we'll need volunteers. **Please support our upcoming junior golf program and buy a ticket to the 1st Annual Sturgeon Point Classic.**

Director of Golf Course Operations – Mike Gascho

We've had a great start to the season. Thank you to the volunteers who helped with the course cleanup prior to opening. Your efforts are greatly appreciated. Tony and his staff have the golf course in wonderful shape despite the recurring late-night visitors searching for grubs in the rough. The damage will take time to fix while we wait for rain to help with re-growing the affected areas. We are proud to be contributing to the Golf In Schools program this year by sponsoring Langton PS and Lady McKenzie PS, which will introduce 150 kids to our junior program. I will be making a school visit and bringing the students to SPGC for a course visit and onsite golf lesson. Stop by the Pro Shop to sign-up for our Wine & Cheese on Sat. June 11 at 5p. and for your free Golf Canada Bronze Membership. Ask us about upgrading to a Gold Membership.

WOW – Ladies' Golf

Please mark Wed. June 22 on your calendar and sign up for the Charity Event (formerly named Member-Guest Day) hosted by the Women on Wednesdays at SPGC. Men and women golfers are welcome. Bring your friends! We are also looking for volunteers with net proceeds going to the "Cancer Health Care" program at Ross Memorial.

Friday Men's Day

Regular men's Fridays have begun and all male members are invited to sign up before every Thursday to be included. Tee times are set by Thursday morning and sent out via email. A variety of games are played as well as an optional closest to the pin prize. Remember all male members are eligible as well as a guest at a reduced green fee rate.
