Cooler days are upon us and many summer activities are drawing to a close. The course will be open until November 1st weather permitting.

Over the winter, you can keep in touch by visiting the SPA website (www.sturgeonpoint.com) where there is a golf section where past newsletters are available as well updates. You can also send an email: sturgeon.golf@rogers.com any time.

Enjoy the rest of the year and we will see you in the spring of 2010!

An Update from Course Superintendent Tony Gascho

This season has been an enjoyable yet challenging one from a weather point of view.

Thanks to all of the golfers that showed patience as we dealt with some of Mother Nature's obstacles including an abundance of rain and some wild storms.

We still continue our work eradicating the moss on the putting greens and have stepped up the efforts now that the tournaments and competitions have drawn to a close.

Thanks to my crew this season for their hard work.

Looking forward to a warm and sunny golf season next year.

Tony Gascho
