

Inaugural Sturgeon Point Classic

A fundraiser for SPGC Junior programs

Sturgeon Point Golf Course was founded in 1899 and has been a gathering place for friends, family and community since inception.

In honour of the clubs history and with an eye on raising funds, we ask you to kick off the summer with us in the spirit of 1899.

The funds raised will be used to help us with equipment and facilities for more and better junior programming by our new Golf Pro, Mike Gascho, of which the course can only do with your generous help.

The club has been host to many a party and July 9th, we will be kicking up our soft spikes after a sit down dinner to the live music of HIFI SEOUL.

There will be silent auction items from all over, tournament prizes, a hole-in-one hole and live auction prizes up for grabs.

SATURDAY JULY 9TH

**\$150 Registration
\$100 for Non-Golfers**
