

CELEBRATING NEW STURGEON POINT PARK

The community of Sturgeon Point turned out to welcome Mayor Rick McGee on Saturday, July 4 to celebrate the grand opening of the recently renovated "Park in the Woods". Part of that ceremony included the unveiling of a plaque recognizing the significant contributions of local residents, businesses, and the CoKL.

The park was planned and designed by local residents and funds were raised entirely by the community and through grants and donations from local businesses and foundations over the past two years. The only money that came from taxpayers was an amount that came through a matching grant program from the CoKL.

With the plaque in the photograph above are, from left to right, John Eaton and Sally Horsfall Eaton, who contributed the newly christened "Eaton Pavilion" at the park, CoKL Mayor Rick McGee, Sturgeon Point Association President Lynne Manning, and Bob Barrett, whose fund raising efforts helped bring the total value of contributions to over \$125,000.
