SPA PARK FUND - DONATION OPTIONS

We have received a number of inquiries from SPA members asking if we would accept donation cheques, payable in several installments. We are pleased to provide two payment options for those wishing to maximize their contribution through the installment process. We are however under fairly tight time constraints relative to our July target opening date and supplier obligations, and therefore a June 1, 2008 final payment date is necessary.

OPTION 1

50% - Now

50% - June 1

OPTION 2

1/3 - Now

1/3 - May 1

1/3 - June 1

We do request that you include all cheques at the time you mail in your contribution. In order to simplify the administration and tax receipt side of this installment donation process we do request that postdated cheques try to utilize the installment dates referenced above.

In order to provide you with a donation tax receipt, please make all cheques payable to: ***City of Kawartha Lakes – SPA Park Fund***

Thank you for your support of our “Park in the Woods” restoration project.

Sincerely,

SPA Park Capital Appeal Committee
