

## STURGEON POINT PARK QUESTIONNAIRE

Monday, October 29, 2007

Dear Sturgeon Pointer,

At the request of the Sturgeon Point Association Board of Directors, a special Committee has been formed to propose a multi-year plan, by December 29, 2007, to improve our community park on Irene Avenue, “as a self-sustaining, natural, children’s-playground-in-the-woods to enjoy to reopen in time for the Summer of 2008”—to be known as ‘Phase 1’—and “a multigenerational meeting place to preserve our unique lakeside community”—to be known as Phase 2 and beyond.

At this time, we would like to gather your thoughts on what our park could be now and in the near future. We have a modest budget and the park itself needs to be self-sustaining: in other words, it needs to be designed to have no maintenance costs or at least costs that can be entirely covered by a portion of the annual \$25 SPA membership fee. The only current park expense is for garbage pick-up.

Please complete the following questionnaire in order to help us inform the budget and overall plan. If you would also please share it with your kids or grandchildren, we would particularly appreciate their input. Please feel free to **complete one questionnaire per person** so that each member of you family may contribute his or her own ideas! **Additional questionnaires can be downloaded at [www.sturgeonpoint.com](http://www.sturgeonpoint.com).**

**Please return your completed questionnaire as soon as possible by Nov. 25, 2007 to:**

9. Our park is held in trust by our community and therefore is not eligible for the majority of municipal assistance provided by The City of Kawartha Lakes. Please share any ideas you may have on how we could approach fundraising and construction. For example, if you know of any foundation grants, bursaries or associations for which we could apply, please list them here. Alternately, if you have any playground supplier contacts or construction company affiliations, please note them here.
